RNAV (GPS) RWY 19
MOORE COUNTY (DUX)

MISSED APPROACH: Climb to 5700 direct KIXSO and hold.

Diagram illustrating the layout of Runway 14-32. The runway is shown as a long, narrow rectangle. A section of the runway is labeled "600' x 100'". Another section, extending from the end of the first section, is labeled "3100' x 80'". The runway is oriented diagonally. A small circle with the number "7" inside is located near the bottom left corner of the runway. The text "MIRL Rwy 1-19" and "MIRL Rwy 14-32" is visible at the bottom right of the diagram.
